Want to determine where your future will take you?
UC International College (UCIC) is the destination for you.

- **Study** a gap semester in Christchurch – New Zealand's second largest city, bordered by the majestic Southern Alps and the Pacific Ocean
- **Experience** New Zealand's culture and amazing scenery
- **Credit** your courses to future study at home or in New Zealand
- **Improve** your English language
- **Enjoy** the same privilege as domestic student- access to UC campus facilities and vibrant student life
- **Learn** to become more adaptable and flexible
- **Live** with a New Zealand family

Choose from:

- Three start dates – February, June or October
- Three different streams, including Engineering, Commerce and Science
- Three academic courses with 15 credits each

'Study abroad programme gives me a great opportunity to practise my English and learn more about Kiwi culture. It also fits really well with my university study in China, as it is only one semester. I chose three subjects that I liked and enhanced my chosen career pathway. All the teachers are very responsible here. I really like New Zealand because it is always full of sunshine, has the most beautiful scenery in the world, clean streets, friendly people and fresh air.'
